

AYSH
GLASS & GLAZING

plan • fabricate • execute

ABOUT US

AYSH GLASS & GLAZING is a professional facade contracting team with vast experience.

The aesthetic and practical application of our architectural glass and cladding system are undertaken by our fully trained technical team supported by experienced project managers, in-house design and engineering personnel.

VISION

Our VISION is to become a benchmark company in Exterior Design and Contracting on Global Level. To be a unique and diversified company in India, and to be a total solution provider by creating a professional management structure that enables us to proceed, execute and consistently deliver top notch work.

We aim to partner with Prestigious International Companies similar to our business for more experience in learning and implementation.

MISSION

Our MISSION is to sustain the highest quality of work, performance, punctuality, reputation and hold a right team to accomplish our goals.
